

A Tenure-Track Position Available at Chiba University
Department of Design, Graduate School of Engineering, Chiba University

We are inviting applications for a tenure-track position, at the rank of assistant professor for a 5-year term.

1. Rank:

Assistant professor (a tenure-track position of a maximum of five years)

Tenure review will be held during the five-year term. A successful member in the tenure assessment will be promoted to a tenured position.

2. Research and Education area:

Design Culture and Community Activation Design.

We are seeking a young researcher who has significant achievements and expertise in the research area of Design Culture, Community Activation Design and 3D Digital Design, and can publish research products actively.

3. Teaching Courses:

Theory of Design Culture, Design Culture Plan Seminar, Introduction to Engineering A, Descriptive Geometry, Practicum in design fundamentals II, Design Culture, Human Life Design, Graduate Seminar and Graduate Research (Some of them).

4. Starting date:

April 1, 2020, or as soon as possible after this date.

5. Qualifications:

The applicant must have a Ph.D. degree (or an equivalent degree) in a related discipline or will be expected to complete it not later than April 1 2020.

The applicant must have research achievements of Design Culture, Community Activation Design, and 3D Digital Design.

The applicant can lecture on Design Culture, Community Activation Design, and 3D Digital Design.

6. Compensation:

Basic salary is determined in accordance with regulations of Chiba University. Chiba University is considering introducing a new salary system. In this position, an employee will contract under an annual salary system.

7. Application documents:

(1) Faculty staff screening record (Please download the prescribed form from below and describe it according to the instructions.)

<http://www.f-eng.chiba-u.jp/company/advertise.html>

(2) Reprints or copies of representative publications

(3) Future plan of your research and education at Chiba University (A4-size paper, approx. 2 pages)

(4) Name, phone number, and E-mail address of two references

8. Application deadline:
September 23, 2019 (Japan Standard Time).

9. Address for submitting the application:

Professor Koichi IWANAGA

Head of Department of Design, Graduate School of Engineering, Chiba University

1-33 Yayoi-cho, Inage-ku, Chiba 263-8522 Japan

The application should be sent by mail, with "Application documents for assistant professorship in Department of Design" written in red on the envelope. Application documents are not used for purposes other than this selection procedure, and will not be returned.

Personal information is protected by the relevant Japanese law and the rules of Chiba University.

10. Selection:

After detailed screening of the application documents, selected applicants will be requested to interview at Chiba University. (Travel expenses will not be paid for it.)

11. Inquiry:

For any inquiry, please contact to Professor Akira UEDA, Department of Design,
Graduate School of Engineering, Chiba University (E-mail: aued@faculty.chiba-u.jp).

12. Other Requirements

(1) All submitted application materials will not be allowed to use for any other purpose except this screening and in principle, all submitted documents and materials will not be returned to applicants.

(2) Applicants may be requested to have interviews. And all relevant expenses including traveling and accommodation for interviews will all be covered by applicant's own. Applicants residing abroad may have online interviews.

(3) Female applicants and foreign applicants will be preferred under equivalent level of academic achievements.
